Andrew Choi and Connor Hanley-Hodge.

At the end of each season, each association submits its nominations to the region for the different categories by level: Player B, A and AA, Team B, A and AA, Coach B, A and AA, referee, scorekeeper and volunteer. In choosing their winners for the Meritas award, many aspects are taken into account. In addition to their performance, it also reflects their progress, the player's attendance at team activities, participation in Federation activities (tournaments, championships, etc.), their sportsmanship towards players and other teams and the lack of sanctions in the season.

All winners nominated for the Regional Meritas are then submitted to the Provincials Meritas. Finalists will be invited by Baseball Québec to the young RDS gala awards for the unveiling of the players of the year in our province. Guests may also attend the autograph session of Quebecers playing professional baseball.

Congratulations to James, Connor, Andrew, Eric, Chris and Jennifer and all the best to the Meritas Provincial nominees.
